I realize that this is probably the third survey that I have put out and frankly I have not been real happy with the lack of participation in getting these back to me. I and your State Rep's your Area Rep's and your Provincial and area reps in Canada need your input to make belonging to the UMCI worthwhile.

Please ask yourself is!!! 15 minutes of your time to give us your thoughts asking too much if the end result ends up making the UMCI a great club to belong too that is a win win!

Thanking you in advance for your response. Kevin and Kevi
